

Emergency Disaster Relief Fund

Applies to:

Financial Members of Skal International Australia

Purpose:

Grants are available to Skalleagues who have experienced loss through a natural disaster to enable them to restore business operations (or their household, under extenuating circumstances) as soon as possible following the disaster.

Grant:

Grants of up to \$2000 will be distributed at the discretion of the National Executive.

Process:

Claims should be submitted to the President and Secretary outlining the situation, purpose of funds, financial request and any other supporting detail. The claim will then be distributed to the National Executive for consideration who will respond, where feasible, within 72 hours, based on the decision of the majority of the executive.

A favourable decision will result in funds being transferred to the Skalleague's (or Club where relevant) nominated bank account within 24 hours of such decision.

All claims will be treated with the respect and utmost confidentiality by the National Executive.

Should the recipient of this grant receive reimbursement through insurance or other means covering the same costs at a later date, a donation "in kind" would be well received to ensure the continuity of the fund for the future benefit of Australian Skalleagues in need.
